## Thanks Bruce,

I have a young family, a husband and three kids and spending a lot of money on glasses was something I couldn't justify. My Great Glasses experience was awesome. I didn't need an appointment for my eye test and I got three pairs of glasses for less than I paid for one pair at my regular optometrist. I couldn't believe how great the deal was and how accommodating the staff were to me. I will not buy glasses anywhere but Great Glasses in the future.

I'm so glad that Bruce was willing to fight for good customer value.

Sincerely,

*Amy Gill*
